The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. Our fee for the basic services of funeral director and staff includes, but is not limited to, staff to respond to initial request for service; arrangement conference with family and responsible parties; arrangement of funeral; preparation and filing of necessary authorizations and permits; recording vital statistics; preparation and placement of obituary notice; and coordination with those providing other portions of the funeral, e.g., cemetery, crematory, vault companies and others as required. Also included in this charge are overhead expenses related to our facility. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select.
